## Description

Briteline® Perm/Rem Mounting Film is a clear double-sided mounting film with permanent adhesive on one side and removable adhesive on the other. The side with the removable adhesive contains air egress channels allowing for a bubble free application. The removable side has a liner that is labeled so there will be no question as to which side should be applied to the wall or window.

## Applications

Great for double sided decals on window applications, single sided interior mounted graphics and second surface graphics behind acrylic or any clear substrate. The removable adhesive allows the decals to be removed leaving the surface clean and free of glue.

## Adhesion
